1. A source of this Division, an Estonian, has advised us that a FNU Valgre, who deserted a group of tourists from the USSR while visiting Norway, could be useful to us though he does not know him personally.

2. Valgre, who is 32 years old and now in Norway, will probably go to Sweden to settle there. Valgre, an Estonian with academic background, is probably very knowledgeable on Estonia. Valgre's former name was Vespary.

3. The above information is very sparse, but may be of interest to the desk.
